ECF Case

DECLARATION OF RITA D. MITCHELL

I, RITA D. MITCHELL, hereby declare as follows:

1. I am admitted to practice before this Court and am associated with the law firm of Willkie Farr & Gallagher LLP (“Willkie Farr”), counsel of record for Lime Group LLC, Lime Wire LLC, Mark Gorton, and M.J.G. Lime Wire Family Limited Partnership (collectively, “Defendants”) in the above-captioned action. I submit this Declaration in support of Defendants’ Motion for Partial Judgment on the Pleadings pursuant to Rule 12(c) of the Federal Rules of Civil Procedure.

2. Attached hereto as Exhibit 1 is a true and correct copy of the September 8, 2008 Declaration of Katheryn Coggon In Opposition To Defendants' Motions and In Support of Plaintiffs' Motion For Summary Judgment. In this declaration at ¶ 4, Ms. Coggon represented that as of August 28, 2008, Plaintiffs had: (i) pursued copyright enforcement actions against 10,939 users of the LimeWire P2P client; (ii) sued 6,262 LimeWire users; (iii) obtained 726 judgments against LimeWire users (449 of those were stipulated judgments); and (iv) settled another 3,782 claims against LimeWire users.

3. Attached hereto as Exhibit 2 is a true and correct copy of the September 22, 2010 subpoena Defendants served on the Recording Industry Association of America ("RIAA"). Category 8 of the request asked for "All judgments (whether consensual or stipulated or not), settlements, and exhibits attached thereto arising from claims, suits, actions, complaints, or other legal proceedings initiated by You or Plaintiffs against users of the LimeWire software application, including but not limited to all the judgments and settlements referenced in paragraph 4 of the Declaration of Katheryn Coggon, dated September 8, 2008."

4. Attached hereto as Exhibit 3 are true and correct copies of the four production letters from the RIAA that accompanied its production of documents between November 11, 2010 and January 31, 2011 that were "responsive to Category 8." (I believe the reference to "fifth" instead of "fourth" in the final letter is an inadvertent error.) The production letters represented that the documents comprised judgments, settlement agreements, and "complaints and exhibits," the latter in an effort to "assist [Defendants] in determining which specific works were at issue with respect to certain settlement agreements and judgments" obtained against LimeWire users, as many of the judgments do not themselves identify the works at issue in those lawsuits.

5. At my direction and under my supervision, attorneys at Willkie Farr reviewed the judgments, complaints, and exhibits produced by the RIAA to (i) identify the total number of unique LimeWire user defendants whose cases went to final or default judgment (not including settlements) and (ii) compare the sound recordings at issue in those suits to the final revised list of sound recordings included in Plaintiffs' Final Post-1972 List of Sound Recordings attached as Schedule A to the First Amended Complaint.

6. The Willkie Farr attorneys performing that review informed me that there were a total of 678 unique defendants referenced in the materials produced by the RIAA.

7. For review and analysis purposes, a new column was then added to the native Microsoft Excel version of Schedule A to allow Willkie Farr attorneys to identify those sound recordings for which Plaintiffs had already obtained a judgment in one of the LimeWire user suits. The Willkie Farr attorneys then reviewed the judgments to identify the song, album title, and registration number of each sound recording at issue in these suits.

8. Where a judgment did not reflect the sound recordings at issue, the Willkie Farr attorneys reviewed the accompanying complaint and exhibits to obtain a list of those sound recordings. As an example, attached hereto as Exhibit 4 is a true and correct copy of the complaint and the judgment in *Sony BMG Music Entertainment, et al. v. Gray* dated October 15, 2008 (2RIAA0005187-188 and 2RIAA0045762-761). The judgment does not identify the sound recordings at issue in the case. However, the complaint, at paragraph 16 (2RIAA004562), refers to an attached Exhibit A containing the eight sound recordings allegedly downloaded by the defendant using LimeWire (2RIAA0045766). Six of the eight sound recordings appear in exactly the same form on Plaintiffs' Schedule A. The two remaining sound recordings were not

included in our count of the sound recordings for which Plaintiffs have already obtained judgments in suits against Lime Wire users.

9. Attached hereto as Exhibit 5 is a true and correct copy of a list of the 1,355 sound recordings currently listed on Plaintiffs' Final Post-1972 List for which Plaintiffs have already obtained judgments in suits against Lime Wire users.

10. These 1,355 sound recordings are drawn from the 678 judgments produced by the RIAA. According to the Coggon Declaration referenced at Exhibit 1, there are at minimum 48 additional judgments against Lime Wire users (and likely more as the Coggon Declaration was dated August 28, 2008 and Exhibit 4, the judgment against Ms. Gray, is dated October 15, 2008, three months after the Coggon Declaration, placing it outside of Ms. Coggon's count). However, Plaintiffs have represented that the 678 judgments produced by the RIAA comprise the entire universe of "judgments against any person or settlement agreements between Plaintiffs and any person arising from any lawsuit in which Plaintiffs alleged copyright infringement on the LimeWire system," which were required to be produced under Magistrate Judge Freeman's December 29, 2010 Order. Attached hereto as Exhibit 6 are true and correct copies of correspondence with Plaintiffs' counsel, Melinda E. LeMoine, dated January 12, 2011 and February 1, 2011 regarding the production of these judgments pursuant to Judge Freeman's Order.

6388255.2

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on February 23, 2011.

2. HRO represents a national counsel a number of large record

4. As of August 28, 2008, the Record Companies have pursued copyright enforcement actions against over 28,000 users of peer-to-peer (P2P) networks. The Record Companies have obtained 726 judgments against LimeWire users (449 of those were stipulated judgments) and settled another 3782 claims against LimeWire users.

5. The lawsuits against LimeWire users have included over 52,000 claims that sound recordings owned or controlled by the Record Companies were infringed. The Record Companies have obtained default or summary judgments against 19 LimeWire defendants and stipulated judgments against 40 LimeWire defendants that include claims for the 30 sound recordings at issue in the instant litigation, including judgments for infringement of "Father of Mine" by Everclear, "Papercut" by Linkin Park, "A Long December" by Counting Crows, "Invisible Man" by 98 Degrees, "Joy and Pain" by Maze, "Cold Hearted" by Paula Abdul, "I'm So Into You" by SWV, "Semi-Charmed Life" by Third Eye Blind, "Long Day" by Matchbox 20, "Pulling Teeth" by Green Day, and "One Love" by Nas.

I declare under penalty of perjury under the laws of the United States that
the foregoing is true and correct.

Federal Rule of Civil Procedure 45 (c), (d), and (e) (Effective 12/1/07)**(c) Protecting a Person Subject to a Subpoena.**

(1) Avoiding Undue Burden or Expense; Sanctions. A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The issuing court must enforce this duty and impose an appropriate sanction — which may include lost earnings and reasonable attorney's fees — on a party or attorney who fails to comply.

(2) Command to Produce Materials or Permit Inspection.

(A) Appearance Not Required. A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) Objections. A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing or sampling any or all of the materials or to inspecting the premises — or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

(i) At any time, on notice to the commanded person, the serving party may move the issuing court for an order compelling production or inspection.

(ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

(3) Quashing or Modifying a Subpoena.

(A) When Required. On timely motion, the issuing court must quash or modify a subpoena that:

(i) fails to allow a reasonable time to comply;

(ii) requires a person who is neither a party nor a party's officer to travel more than 100 miles from where that person resides, is employed, or regularly transacts business in person — except that, subject to Rule 45(c)(3)(B)(iii), the person may be commanded to attend a trial by traveling from any such place within the state where the trial is held;

(iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or

(iv) subjects a person to undue burden.

(B) When Permitted. To protect a person subject to or affected by a subpoena, the issuing court may, on motion, quash or modify the subpoena if it requires:

(i) disclosing a trade secret or other confidential research, development, or commercial information;

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party; or

(iii) a person who is neither a party nor a party's officer to incur substantial expense to travel more than 100 miles to attend trial.

(C) Specifying Conditions as an Alternative. In the circumstances described in Rule 45(c)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

(i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and

(ii) ensures that the subpoenaed person will be reasonably compensated.

(d) Duties in Responding to a Subpoena.

(1) Producing Documents or Electronically Stored Information. These procedures apply to producing documents or electronically stored information:

(A) Documents. A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) Form for Producing Electronically Stored Information Not Specified. If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) Electronically Stored Information Produced in Only One Form. The person responding need not produce the same electronically stored information in more than one form.

(D) Inaccessible Electronically Stored Information. The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

(2) Claiming Privilege or Protection.

(A) Information Withheld. A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

(i) expressly make the claim; and

(ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) Information Produced. If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information to the court under seal for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

(e) Contempt. The issuing court may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena. A nonparty's failure to obey must be excused if the subpoena purports to require the nonparty to attend or produce at a place outside the limits of Rule 45(c)(3)(A)(ii).

Re: Subpoena to Recording Industry Association of America in *Arista Records LLC, et al. v. Lime Group LLC, et al.*, S.D.N.Y. Case No. 1:06-cv-05936 KMW

Dear Todd:

Enclosed with this letter is a disc containing the RIAA's initial production of documents responsive to Limewire's subpoena. These documents are responsive to Category 8, and bear control numbers 2RIAA0000001 - 2RIAA0012649. As you will see, certain of the documents are labeled "Confidential – Attorneys' Eyes Only" under the Protective Order in the action.

The RIAA is gathering other documents for production, and will produce them as they are ready on a rolling basis.

Let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "GMB", followed by a long, sweeping horizontal line that ends in a small upward flick.

4. Plaintiff SONY BMG MUSIC ENTERTAINMENT is a Delaware general partnership, with its principal place of business in the State of New York.

5. Plaintiff Arista Records LLC is a limited liability company duly organized and existing under the laws of the State of Delaware, with its principal place of business in the State of New York.

7. Plaintiff BMG Music is a general partnership duly organized and existing under the laws of the State of New York, with its principal place of business in the State of New York.

COUNT I

INFRINGEMENT OF COPYRIGHTS

11. Plaintiffs incorporate herein by this reference each and every allegation contained in each paragraph above.

12. Plaintiffs are, and at all relevant times have been, the copyright owners or licensees of exclusive rights under United States copyright law with respect to certain copyrighted sound recordings, including but not limited to, all of the copyrighted sound recordings on Exhibit A to this Complaint (collectively, these copyrighted sound recordings shall be identified as the "Copyrighted Recordings"). Each of the Copyrighted Recordings is the subject of a valid Certificate of Copyright Registration issued by the Register of Copyrights, for which the Plaintiffs are the owners as specified on Exhibit A.

13. Among the exclusive rights granted to each Plaintiff under the Copyright Act are the exclusive rights to reproduce the Copyrighted Recordings and to distribute the Copyrighted Recordings to the public.

14. Much of the unlawful distribution of copyrighted sound recordings over the Internet occurs via "peer-to-peer" ("P2P") file copying networks or so-called online media distribution systems. P2P networks, at least in their most popular form, refer to computer systems or processes that enable Internet users to search for files (including audio recordings) stored on other users' computers and transfer exact copies of files from one computer to another via the Internet, which can include both downloading an exact copy of that file onto the user's own computer and distributing an exact copy of that file to other Internet users on the same P2P network. P2P networks enable users who otherwise would have no connection with, or knowledge of, each other to provide a sophisticated search mechanism by which users can locate these files for downloading and to reproduce and distribute files off of their personal computers.

15. Users of P2P networks who distribute files over a network can be identified by using Internet Protocol ("IP") addresses because the unique IP address of the computer offering the files for distribution can be captured by another user during a search or a file transfer. Users of P2P networks can be identified by their IP addresses because each computer or network device (such as a

router) that connects to a P2P network must have a unique IP address within the Internet to deliver files from one computer or network device to another. Two computers cannot effectively function if they are connected to the Internet with the same IP address at the same time.

16. Plaintiffs identified an individual using LimeWire on the P2P network Gnutella at IP address 130.212.161.156 on February 14, 2007 at 04:30:19 EST distributing 181 audio files over the Internet. The Defendant was identified as the individual responsible for that IP address at that date and time. Plaintiffs are informed and believe that as of February 14, 2007, Defendant, without the permission or consent of Plaintiffs, had continuously used, and continued to use, a P2P network to download and/or distribute to the public the Copyrighted Recordings. Exhibit A identifies the date and time of capture and a list of Copyrighted Recordings that Defendant has, without the permission or consent of Plaintiffs, downloaded and/or distributed to the public. Through Defendant's continuous and ongoing acts of downloading and/or distributing to the public the Copyrighted Recordings, which acts Plaintiffs believe to have been ongoing for some time, Defendant has violated Plaintiffs' exclusive rights of reproduction and distribution. Defendant's actions constitute infringement of Plaintiffs' copyrights and exclusive rights under copyright.

17. In addition to the sound recordings listed on Exhibit A, Plaintiffs are informed and believe that Defendant has, without the permission or consent of Plaintiffs, continuously downloaded and/or distributed to the public additional sound recordings owned by or exclusively licensed to Plaintiffs or Plaintiffs' affiliate record labels, and Plaintiffs believe that such acts of infringement are ongoing.

18. Plaintiffs have placed proper notices of copyright pursuant to 17 U.S.C. § 401 on each respective album cover of each of the sound recordings identified in Exhibit A. These notices of copyright appeared on published copies of each of the sound recordings identified in Exhibit A. These published copies were widely available, and each of the published copies of the sound recordings identified in Exhibit A was accessible by Defendant.

19. Plaintiffs are informed and believe that the foregoing acts of infringement have been willful and intentional, in disregard of and indifference to the rights of Plaintiffs.

20. As a result of Defendant's infringement of Plaintiffs' copyrights and exclusive rights under copyright, Plaintiffs are entitled to statutory damages pursuant to 17 U.S.C. § 504(c) for Defendant's infringement of each of the Copyrighted Recordings. Plaintiffs further are entitled to their attorneys' fees and costs pursuant to 17 U.S.C. § 505.

21. The conduct of Defendant is causing and, unless enjoined and restrained by this Court, will continue to cause Plaintiffs great and irreparable injury that cannot fully be compensated or measured in money. Plaintiffs have no adequate remedy at law. Pursuant to 17 U.S.C. §§ 502 and 503, Plaintiffs are entitled to injunctive relief prohibiting Defendant from further infringing Plaintiffs' copyrights, and ordering Defendant to destroy all copies of sound recordings made in violation of Plaintiffs' exclusive rights.

WHEREFORE, Plaintiffs pray for judgment against Defendant as follows:

1. For an injunction providing:

"Defendant shall be and hereby is enjoined from directly or indirectly infringing Plaintiffs' rights under federal or state law in the Copyrighted Recordings and any sound recording, whether now in existence or later created, that is owned or controlled by Plaintiffs (or any parent, subsidiary, or affiliate record label of Plaintiffs) ("Plaintiffs' Recordings"), including without limitation by using the Internet or any online media distribution system to reproduce (i.e., download) any of Plaintiffs' Recordings, to distribute (i.e., upload) any of Plaintiffs' Recordings, or to make any of Plaintiffs' Recordings available for distribution to the public, except pursuant to a lawful license or with the express authority of Plaintiffs. Defendant also shall destroy all copies of Plaintiffs' Recordings that Defendant has downloaded onto any computer hard drive or server without Plaintiffs' authorization and shall destroy all copies of those downloaded recordings transferred onto any physical medium or device in Defendant's possession, custody, or control."

2. For statutory damages for each infringement of each Copyrighted Recording pursuant to 17 U.S.C. § 504.

3. For Plaintiffs' costs in this action.

4. For Plaintiffs' reasonable attorneys' fees incurred herein.

5. For such other and further relief as the Court may deem just
and proper.

Todd:

Judge Freeman's December 29, 2010 Order compels Plaintiffs to produce "judgments against any person or settlement agreements between Plaintiffs and any person arising from any lawsuit in which Plaintiffs alleged copyright infringement on the LimeWire system." Each Plaintiff company has confirmed that no such judgments or settlements exist outside of those obtained through the RIAA's coordinated litigation program. I have also confirmed with the RIAA's outside counsel in that program that she gathered those judgments or settlements and provided them to George Borkowski at the Venable law firm (who, as you know, has provided them to you). You thus have all of the judgments and settlements called for in Paragraph 5 of Judge Freeman's December 29 Order.

Regards,
Mindy
